MAJOR DUTIES:

Chief Fiscal Officer provides financial services to a large, complex, multi-site medical center which serves as a tertiary referral center and a transplant referral center for other VAMC and sharing partners. Effective financial management is necessary to support the fundamental mission of the medical facility as well as the complexity of its support missions within the VA organization. Services affect the effective and efficient operations of a VISN Headquarters, a major tertiary medical center with two campuses and several community based outpatient clinics, two Veterans Outreach Centers, a VA cemetery, a VA Regional Council Headquarters, a major Research Program and Organization, and numerous headquarters special programs. In addition, the incumbent oversees financial support or assistance for numerous virtual VACO field offices and remotely located personnel who are organizationally aligned to various parts of the VA and VHA structure (examples include an Office of Resolution Management, VAHQ staff personnel and others).

The incumbent is responsible for fund maintenance of programs, appropriateness of expenditures, collection of funds and ensuring the fiscal integrity of all financial records at the medical center. This includes coordination of Medical Care Cost Fund (MCCF) revenue program operations and collection of government funds. The incumbent is also responsible for the supervision and control of all facility financial functions, to include Budget, General Ledger Accounting, Cost Accounting, Voucher Audit and Accounts Payable, Agent Cashier, Accounts Receivable, Outsourcing Purchased Care Management, Credit Card Management, Employee Travel, General Post Funds and the

Revenue Program. Functions involve the expenditure of public, trust and deposit funds in accordance with applicable laws and regulations. The scope and variety of teaching and research programs significantly impact of the medical center's financial management program. Responsibilities are also impacted by the complexity of operating programs and their varied operating requirements, i.e., major and minor construction projects, debt collections, sharing agreements with DOD, VISN National Programs. The incumbent has responsibility for the formulation, review, and execution of the financial plans for the operation of the medical center.

THIS POSITION IS EXCLUDED FROM THE BARGAINING UNIT

QUALIFICATION REQUIREMENTS:

Eligibility: U.S. Office of Personnel Management Qualifications Standards for GS-505 series applies and may be reviewed in the Human Resources Management Division office.
